## A MESSAGE FROM THE CHAIRMAN

We are to-day celebrating the 25th anniversary of the Sisterhood of Congregation Sons of Jacob, at this beautiful luncheon.

It has been a privilege and a pleasure to have worked with my co-chairman, Mrs. Morris Lecht, our very devoted president, Mrs. Hyman B. Stone, our very gracious program book chairman, Mrs. Frank Silberman, and with all my other co-workers. It was through their tireless efforts and loyalty, that helped make the affair of this afternoon possible.

It is a double gratification to work for our Hebrew School and our Synagogue. When you work for our Hebrew School, you are helping to give youngsters a Hebrew Education. As you all know, the youth of to-day is the backbone of the Jewry of to-morrow.

Thank you all for being with us this afternoon, for without you this celebration would not be complete.

The Sisterhood of the Congregation Sons of Jacob was organized 25 years ago. Amongst one of the first organizers was Mrs. Stone. She has given very generously of her time and efforts for the Synagogue as well as for the Hebrew School. She has given dignity and prestige to our sisterhood. She has been our president for 17 years. Our sisterhood is very fortunate to have Mrs. Hyman B. Stone as our president.
